

EVENT WAITERS

Simply the best event waiters

We pride ourselves in our well-presented and eager workforce.

Our waiters have worked at a number of events and will be ready to cater for your every need.

We recommend a ratio of 1 waiter to 12 guests for table service. And 1 waiter to 30 guests for standing service.

To discuss your event needs or to book waiters for your event please email info@asjcatering.co.uk
